

## Kentucky County Fair - 2006

### Demolition Derby Championship Guidelines

To encourage participation in demolition derbies, KAFHS has created a high point series to recognize and reward such participation.

County Fairs wishing to participate in this program must complete a Motorsport's membership form and pay a \$50 fee prior to the event. The event, Demolition Derby must be a featured part of the Fair.

Participants shall be awarded points in the following manner when entered in a participating County Fair program:

20	Points to participate in a derby,
10	Points to participate in the feature,
15	Points for winning the feature,
10	Points for 2 <sup>nd</sup> place in the feature,
5	Points for 3 <sup>rd</sup> place in the feature.

Each participating Fair must file an official report and the participant list form following the event. These forms can be found via Reva Mitchell or web site, KAFS.net. These forms must be filed with Reva Mitchell via Certified mail within 30 days of the event. Please adhere to requested information request on forms for proper information needs. This is for accurate accumulation of points per individual participant via the multiple fairs that they may participate in the point series.

At the end of the County Fair season, all reported points will be tallied and a 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place shall be determined. Those winners will be invited to the Association's annual convention where they will receive trophies and the following prize money during the Business Meeting:

\$1000	First Place
500	Second Place
300	Third Place.

There would be one entity per county recognized as a participant in this program. The County Fair is the entity to be recognized.

Points will be counted for derbies held in the fair week only. If there are multiple derbies held during the fair week, then points will be summarized for each driver. This would be on the dates turned in as fair weeks. Rain dates will be accepted, if held within 30 days of the fair.

The final results will be summarized prior to the January Convention by Members of the Motorsports Committee. All results are final.
